

USD 325 Bid Fact Sheet for Vendors and Providers

Thank you for your interest in providing bids for services listed on our current 470 eRate application. We are currently evaluating bids prior to filing our 471 the first week of February. Information below is provided so you might prepare and submit a specific, detailed, and accurate bid. Interested vendors are welcome to schedule a physical walk-through of our attendance centers.

- USD 325 is a PreK-12 public school located in Phillipsburg, KS, an agricultural community with a population of approximately 2200.
- The district has 4 dispersed buildings, three attendance centers with a total enrollment of 629 in Pre-K through grade 12 and non-graded, and a district office.
 - Elementary School: K-4 enrollment of 242
 - Middle School: Grades 5-8 enrollment of 190
 - High School: Grades 9-12 and non-graded enrollment 197
- The district employs 67 certified teachers and administrators as well as 40 classified staff and has available up to 200 email accounts including one that functions as our PowerSchool student information system auto send account.
- The district is accepting bids for website hosting
- The district does NOT currently supply student email, but is considering proposals that include filtered, monitored email for students and staff
- The district has approximately:
 - 270 laptops for student use in mobile learning labs
 - 42 PC, iMac and eMac in classroom, media, center labs
 - 119 MacBooks or iMacs for staff use
 - 20 staff and student iPads
- Wireless networking is currently accomplished via a series of managed AirPort Extreme Base Stations, but the district has issued an RFP for new wireless networking for all attendance centers
- Initiatives and upgrades require the upgrade and/or replacement of switches in all attendance centers

Selected vendor(s) will be notified and contracts will be signed “contingent upon Board approval and eRate funding.”
