## Students Weigh In - Games Without Spectators

Recently KSHSAA decided that spectators will not be allowed to attend winter sports events due to COVID concerns. At least we get to play, but our family and friends won't be there to support us. We asked some athletes how they feel about the decision.

"Not fun for players because there's no one to cheer."

-Carter Kendall

"It's boring because there is no one there."

-Kayla Jacobs

"I don't like it, my Mom won't be there to watch."

-Clay Habiger

"It's stupid, we're going to get 'Rona anyway."

-Brooklyn Roth

## "Flowers" Posters

Mrs. VanDerVeen asked her 8th graders to create posters that compared a "Flowers for Algernon" character to someone or something using a forced association in simile or metaphor form. They had some really cool ideas and designs!
