Hard Work Pays Off at Nine Weeks Reward

The day before Christmas break was really fun! It was a pretty laid-back morning in teachers' classes, and in the afternoon students who qualified got to watch movies in teachers' rooms. Mrs. Blank and her helpers served hot chocolate in her room, and the snack shack was open for business. It was a great way to end the nine weeks!

Read-Aloud Day Enjoyed By Students and Staff

On the Monday before break, we nearly froze as we walked down to the elementary school to read with the littles. But it was really fun to get back into that routine again!

"To not be tardy."

-Alex Gross

"To be better than Tristan at everything."

-Neelee Taylor

Boys Rock Robot

Construction

We need to brag on Caison Conrad and John Eakin. They did a great job working together to build their robot in Tech class!

New Pubs Class Set

January means a new Publications class to take pics and help with the newsletter, yearbook, and snack shack. Please smile when these guys come around with the camera!
