Good Deeds Done in Remembrance of 9/11

Last Friday, all PJH staff and students went around the community doing good deeds to honor those who lost their lives on September 11, 2001. We did a lot of cool stuff, including painting, doing yard work, making posters and chalk art, washing windows, visiting the nursing home, and picking up trash around town. It was a pretty hot day, but we stayed positive and accomplished a lot. Way to go, guys!!

Football and Volleyball Teams Off to Great Start

Our volleyball and football teams are doing great. The football players have played three games, and won all of them easily. The volleyball teams have played several matches, and are working hard and honing their skills! Go Panthers!

PJH Loses Beloved Student and Friend

This week has been rough. We lost a beloved classmate, friend, and student, sixth grader Bailey Ann Roth. She became very sick and we all rallied around her and her family. We will miss so many things about her, including her smile, her sense of humor, her fun-loving attitude, and the way she loved her family, friends, and animals. Bailey, we'll miss and love you forever!

Cross Country Team Having Fun While Running

Our cross country runners are doing an awesome job! They have competed in Stockton and Smith Center so far, and many of our students placed. The racers run in separate divisions. The seventh graders are running one mile, while the eighth graders run two miles. Keep on improving, Panthers!

Mr. King's Headset

Mr. King has recently gotten a new piece of equipment, a headset, so he does not have to hold his microphone during PE class. We get a chuckle out of his new look and ask him to order fast food!
