Athletes in High Gear

Last week our volleyball players played in a quad at home on Tuesday vs. TMP and Hoxie at home on Thursday. This week they played on Monday at Stockton and at Smith Center last night. Tomorrow they travel to Belleville to compete in the Republic County tournament. That's a whole lot of volleyball! Our football boys took on TMP at home last Thursday and played at Smith Center last night. Our cross country team ran at SC last Thursday and Norton yesterday. Good job, Panthers!!

Panthers Do Good Deeds to Honor 9/11 Victims

Last Friday Mr. Hindman and Mrs. Stites used their Social Studies class times to take students out to do good deeds in the community to honor those who lost their lives on September 11, 2001. They delivered cookies to Phillips County EMS, the sheriff's department, and USD 325 staff members. They also visited the nursing home with coloring pages, painted at the park, worked at the playground, pulled weeds at Fort Bissell, built and filled flower boxes, decorated sidewalks with positive messages, and more. Whew, that's a lot of good work! Nice job, everyone!

Students and Staff Have Fun in Color Run 🏃🏃‍♀️🏃‍♀️

Last Wednesday our students and some staff members participated in the FCCLA Color Run. This year's cause was Suicide Prevention, so there were signs along the path of the race spreading awareness. It was a hot day, but it was fun for the most part! We polled students on whether they enjoyed it, and 93.6% said yes (125 students responded). Students shared their thoughts about why they did or did not enjoy it.

"It was fun running by the children at the elementary school and seeing my sister."

-Ava Kastle

"During the color run I got to talk to my sister, my cousin, and Emmitt's sister, and I wasn't one of the last people."

-Jeremiah Bui

"I liked it because we got to spread awareness, and it was fun."

-Logan Vincent

"I liked it because I got my energy out and I got to see all the kids and and also my old teachers."

-Zoey Griffin
