Students Express Feelings on Power Hour Change

One big change this year is having Power Hour in the middle of the day! We have study hall on Monday, focused Reading and Math sessions on Tuesday through Thursday, and social emotional learning on Friday. The teachers love it because students are improving their reading and math skills. Some students like the change, some don't care either way, while others do not like it. We only interviewed the 6th-8th graders, since everything is new for the 5th graders! Keep working hard and adjusting, Panthers!

"I like it!"

"I don't have to change classes as many times."

-Cooper Miller

"I like Ms. Larson's class on Mondays and Fridays cuz I don't wanna be doing math."

-LakeLynn Tibke-Lamb

"I like how fast it goes."

-Braxton Yoxall

-Brielle Babcock

"It's just so confusing because what do you mean we have to change teachers in the middle of the hour, three times a week?"

Power Hour Feedback
